

Compliance to Address SOX Summit

Cary, North Carolina October 16, 2004 - Compliancy will be participating in a Ziff Davis conference on the Sarbanes - Oxley compliance. The conference titled "Sarbanes - Oxley: I.T.'s Roll in Corporate Compliance" will be held in New York City on October 26th at the Marriott Eastside. The conference will also include fellow panelist and keynote speaker Chrisan Herrod, Chief Security Officer, U.S. Securities and Exchange Commission.

The conference, by Ziff Davis' Custom Conference Group, will include I.T. professionals interested in learning about new technologies for dealing with the burdens of Sarbanes - Oxley. It will examine how CIO's can ensure that all IT operations, across all divisions, can aligned to support Sarbanes - Oxley.

For more information on the conference go to www.ziffdavis.com.

About Compliancy

Compliancy is dedicated to helping organizations maintain compliance with the Sarbanes-Oxley Act by providing business process management (BPM) solutions. By using our application to improve internal control, you save money, save time, and reduce the stress of Sarbanes-Oxley activities and audits.
