Compliancecy Upcoming Events

Cary, North Carolina March 22, 2005 - Compliancecy will be participating in a Sarbanes-Oxley Conference on April 6th in Boston and in the Ultimus BPM Conference in Miami May 22nd through the 25th.

Parson Consulting will be teaming with Compliancecy for the Boston Event. It will be held at the Boston Marriott Newton from 8am to 11am. The discussion will be focus on technologies to help companies maintain and lower the cost of compliance.

Compliancecy has also been asked to address the conference at this year's annual Ultimus BPM Conference. The conference is being held at the Wyndham Miami Beach hotel, May 22nd through the 24th.

Compliancecy will be presenting on the Sarbanes-Oxley Act of 2002. The address will cover the act and announce the introduction of Compliancecy's new Internal Control Management application and the roll of Ultimus workflow in the solution.

The address will include representatives from a Compliancecy and Ultimus customer that has implemented the Compliancecy Internal Control Management application. A case study of how ICM is used to maintain SOX compliance and improve control at a lower cost will be presented.

For more on the conference go to www.ultimus.com.

About Compliancecy

Compliancecy is dedicated to helping organizations maintain compliance with the Sarbanes-Oxley Act by providing business process management (BPM) solutions to ensure all control policies and processes are followed. Compliancecy improves control while reducing the cost, stress and resources required for compliance. Additional information about Compliancecy can be obtained by visiting the Compliancecy web site at <http://www.compliancecysoftware.com>, emailing info@compliancecysoftware.com, or by calling 919-342-6212.
