Compliancy Relocates to Research Triangle Park, NC *Compliancy move to support its continued growth*

Research Triangle Park, NC – October 24, 2010 - Compliancy (formerly Compliancy Software) provider of simpler, less costly, and more effective solutions for automating any Governance, Risk Management, and Compliance (GRC) processes, announced today is relocating its headquarters to Research Triangle Park, NC to improve its accessibility to current and potential new customers and research and development talent.

Compliancy has grown every year since it was founded in 2002 and is on pace for substantial growth this year. This growth is attributable to Compliancy's high level of customer service and unique capabilities of quickly automating a customers current internal controls and integrating with Compliancy built-in controls for a variety of compliance regulations and general business processes. Compliancy's move will enable it to more effectively increase its development, support and professional services resources.

Compliancy's new contact information is:
