Compliancy Participates at 26TH National Conference on the FCPA in Washington, DC

Research Triangle Park, NC – November 1, 2011. Compliancy (formerly Compliancy Software) provider of tailored risk and compliance automation solutions to meet unique customer needs, announced today that it will be participating at the 26th National Conference on the Foreign Corrupt Practices Act (FCPA) in Washington, DC on November 8-9, 2011 being hosted by the American Conference Institute and considered the premier legal and regulatory anti-corruption compliance event and the largest event of its kind in the world.

This is the event that corporate counsel, compliance officers, outside counsel and forensic accountants rely on for comprehensive, insightful, and practical guidance on critical FCPA compliance issues.

Compliancy will be showing its FCPA automation solution. Compliancy's FCPA automation solution more effectively reduces a company's compliance risks, improves audit ability and disclosure, and reduces management, remediation and audit costs.

Through Compliancy's automation solution companies can ensure that policies and processes are enforced, the chance of violations are reduced, and the cost of manual and labor intensive management significantly reduced. Compliancy's solution can be tailored to best fit the unique needs of the company locally, globally and with third parties.

Companies wanting more information about the FCPA conference and to meet with Compliancy should visit the Compliancy web site at www.compliancy.com or contact Compliancy at info@compliancy.com or call 919-806-4343.

About Compliancy

Compliancy specializes in custom tailored risk and compliance automation solutions such as FCPA and other GRC applications by leveraging a company's investment in existing controls, processes and compliance programs. Processes and controls unique to the company and industry can be easily automated and standardized to accelerate process completion, more effectively manage risk and lower the cost of management.

Large multi-national, mid-size companies and government agencies choose Compliancy because of its greater flexibility and cost effectiveness. Compliancy makes it simpler to automate and integrate both a broad range of GRC requirements such as FCPA, Sarbanes-Oxley, and OMB A-123 and internal processes such as Financial Close Management. Compliancy can custom tailor the right program to best fit a company's needs and budget whether on-premise or Software-as-a-Service.
