Compliancy Announces Special, Limited Time Offer for Compliancy's FCPA/Anti-Corruption Automation Cloud Service

Research Triangle Park, NC – November 6, 2012. Compliancy, a leader in FCPA/Anti-corruption and GRC automation solutions, announced a special, limited time offer for Compliancy's FCPA/Anti-corruption Cloud Service to facilitate companies wanting to implement a more cost effective compliance automation solution for their FCPA/Anti-corruption programs.

Compliancy's FCPA/Anti-corruption Cloud Service provides automation of all processes and controls for regulatory compliance with all the benefits of a "software-as-a-service" solution and the unique capability of being able to be tailored for specific company needs and easily migrated on-premises if desirable at a future date.

Compliancy's Special Offer for the FCPA/Anti-corruption Cloud Service is a limited time offering for qualified companies. It provides up to a 46% monthly discount, a 100% fee waiver for any set up, any Professional Services at a 50% discount during the promotional period and no obligation after 6 months.

Compliancy's Special Offer for its FCPA/Anti-corruption Cloud Service provides a unique opportunity for qualified companies to quickly implement and immediately see the value of managing their FCPA/Anti-corruption programs via a Cloud Service for greater efficiency and more effectively reducing risk on a world-wide basis.

Compliancy's Cloud Service provides a secure platform for complete evidence tracking and regulatory level control management capabilities. This includes automation of all compliance and business processes, document management, rules based routing, segregation of duties, security authorization, testing/auditing, certifications, evidence tracking, alerts, issues management and reporting.

Compliancy also provides a unique GlobalTrak™ service for world-wide geographical management of all regulatory and risk activities along with a Customer Partner Portal service for companies to more cost effectively and securely have automated access to third parties for profiling, vetting, and monitoring on a global basis.

About Compliancy Software
Compliancy specializes in custom tailored risk and compliance automation solutions such as FCPA/Anti-corruption and other GRC applications by leveraging a company's investment in existing controls, processes and compliance programs. Processes and controls unique to the company and industry can be easily automated and standardized to accelerate process completion, more effectively manage risk and lower the cost of management.

Large multi-national, mid-size companies and government agencies choose Compliancy because of its greater flexibility and cost effectiveness. Compliancy makes it simpler to automate and integrate both a broad range of GRC requirements such as FCPA, Sarbanes-Oxley, and OMB A-123 and internal processes such as Financial Close Management. Compliancy can custom tailor the right program to best fit a company's needs and budget whether on-premise or as a Cloud Service.
